SUPPLEMENTAL EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jan Tittel on 11/07/2011 and 12/14/2011.

The application has been amended as follows:

Claim 1 rewrite as follow

A pharmaceutical composition comprising a hydroxyapatite (HA) incorporating a parent alpha-emitting radionuclide selected from the group consisting of ^{211}At , ^{212}Bi , ^{223}Ra , ^{225}Ac , and ^{227}Th or a parent beta-emitting radionuclide ^{212}pb , ^{211}pb , ^{213}Bi , or ^{225}Ra , wherein the HA retains at least 70% of the activity attributable to the daughter radionuclide after the decay of the parent radionuclide.

Claim 15 rewrite as follow:

A pharmaceutical composition as claimed in claim 1, wherein the composition comprises a physiologically acceptable carrier.

Claims 12-14 and 24-29 are cancelled.

Reasons for allowance

The following is an examiner's statement of reasons for allowance: The closest prior art found was that which was cited in the previous office action filed on 05/20/2011, but fails

to specifically disclose or render obvious a stable hydroxyapatite composition wherein the HA retains at least 70% of the activity attributable to the daughter radionuclide after the decay of the parent radionuclide as recited in claim 1. The claimed subject matter is not taught or suggested by the cited reference and thus, the claimed subject matter is considered to be novel and patentably distinct over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JAGADISHWAR SAMALA whose telephone number is (571)272-9927. The examiner can normally be reached on 8.30 A.M to 5.00 P.M.
